Newsletter Number 7

Thursday 11th February 2016

Dear St Mary's Parents and Carers,

Junior School Parents Evening

It was lovely to see you all at the Junior Parents Evening yesterday. I hope you found the information given about your child's progress useful. As I mentioned at the beginning of the school year the curriculum has changed for all children in Primary Education and during the summer term I will be inviting all parents at the Junior School to learn more about what our children have been learning so far and what their next steps will be so please keep a look out for the dates which I will publish next half term.

Junior School After-School Club

Our new Junior afterschool club which starts after half term, on 22nd February 2016 is now full but if you would like your child to attend we can put their name on the waiting list and if we have enough additional children we can look at ways to extend the number of places.

Nursery Full-Time Provision

We now have a full house for our new Nursery full-time provision. However, if more full time places become available we will inform you by sending out another letter.

Over the Half Term Break

The school will be closed to children next week but there will be lots going on, particularly in the Junior School where we will be replacing all of the carpets on the ground floor and building garden areas outside Year 5 and Year 3. Of course we will also be ensuring that both schools are clean, tidy and ready for another half term's learning.

Please remember that the both schools will be closed tomorrow for staff training. There will be First Aid training for Teaching Assistants and the teachers will be joining with all the other Croydon Catholic Schools at St Cyprians in Thornton Heath to explore ways to motivate children to be the best that they can be.

I wish you all a very a happy half term break and look forward to seeing you all again on **Monday 22nd February 2016.**

With very best wishes,

Miss O'Callaghan
Executive Headteacher
